

## GREETINGS GETAWAYERS,

We hope you're looking forward to a relaxing night away! We warn you... you won't just want to bring your PJs for this outing; your appetite (and maybe some stretchy pants) would also be strong recommendations if you're asking us.

**Review and complete this document and return it to the Front Desk a minimum of 1 hour prior to your desired service time.**

Without further ado... cue the drooling. Here's what's in store for the 3-course meal to be delivered and enjoyed in the comfort of your guestroom.

If you're really wanting to make this a meal to remember, feel free to pick your poison! Whether your heart desires wine by the bottle, beer, scotch, or your favourite highball, alcohol is available for room service at the same price as dine-in service. No added delivery charges. None of those pesky automatic gratuities. Cheers to that my friends!
